Brief History

In the French part of St Martin two unofficial flags are said to be used. The first is the Flag of the Collectivity of Saint-Martin which is a white field with a green and blue ribbon in the centre with the words "Saint-Martin French Caribbean". There is also to report of a flag with a blue field and white martini glass shape with small red upside down triangle and yellow semi-circle in the centre. Neither of these flags have been seen flown.
